**For full Course Details, Details of the HQ, and details of getting to the start** – please see later pages.

There will be a **Prize presentation** in the school hall, soon after the last team finishes.  
Please try to be there, and see £1300 being handed out !

Provisional Results will be available (as quickly as we can manage) from <http://www.dadswell.co.uk>

**At the Event Headquarters, we have been specifically instructed that there must be NO PARKING ON THE GRASS. There was also a complaint made after a previous year's race of litter being left around the school and on the fields. Please take your litter home with you, and don't put our future use of the school in jeopardy. Thank you.**

For the previous five years, this race has been generously sponsored and supported by Brian Phillips of Cobham Antennas. This support was planned to continue in 2011.

I am very sad to report that on March 27<sup>th</sup>, when racing in Tuscany, Italy, Brian collapsed and died. He was 51.

In 1985, he was part of the victorious Manchester Wheelers team in the RTTC National Championship Team Time Trial, and the TTT was a discipline that was dear to him.

Brian's wife, Claire, has very kindly continued the sponsorship of our race for 2011, for which we are most grateful.

I would like to dedicate the race to the memory of Brian, who lived for his cycling, and was a fantastic person to know.

Please everyone, have a safe and enjoyable afternoon, and try to take a moment to reflect on a man who helped build the event into what it is now.

Brian Phillips 1960-2011

### General Notes

- Numbers will be issued at the Event Headquarters (Longwick School), and should be attached to your lower back or on your shorts. Please return your number afterwards, and exchange it for a FREE cup of tea.
- No vehicles other than that of the timekeeper are to be parked in the vicinity of the start or finish points.
- After finishing, riders must not stop, but should continue to the Headquarters, or the alternative parking areas.

### Special Notes about Team Time Trials

- Apologies for those of you who are old hands at this sort of thing, but .....
- When you're out on the road, you should ride in single file, except when you're changing your formation. In particular, when you have finished, please remain disciplined, as other teams will still be racing, and won't want you getting in their way.
- Please **don't** warm-up past the Finish point; if you *have* to pass the Finish when warming up, please make it clear to the timekeepers that you are not racing. Also, be aware that other teams may well be finishing when you're warming-up.
- When you *are* finishing, please look as if you're racing, and try to shout out the highest number of your team.
- If you wish to feature in the official result for this race then you must start with three riders (whose names appear on this sheet for your team), **all three of you must complete the course**, and you must all pass the finish line clearly displaying your race numbers.
- Incomplete teams may start, and can receive a time, but this is "for general interest only".
- Teams who have nominated reserve riders may choose any three from the four riders listed. Teams using their reserve rider are still eligible for prizes. NB Reserves must wear the number of the rider who they are replacing.
- Official times are taken on the third rider to pass the finish, so try to stay together!

In the interests of your own safety, Cycling Time Trials and the event promoters strongly advise you to wear a HARD SHELL HELMET that meets an internationally accepted safety standard.

It is recommended that a working rear light, either flashing or constant, is fitted to the machine in a position visible to following road users and is active while the machine is in use.

Course and Event Record :

Adam Duggleby, Charles McCulloch, Mark Holton 1.3.33 (29.3 mph)

**The Course in simple terms** : This 50km TTT involves just over 2 laps of a circuit. The first kilometre is a 'feeder' onto the circuit. After completing two full laps, you start another lap, but you then have just 1km left to do. You'll be able to see two houses in front of you. The finish is not quite as far away as they are. There will be marshals and signs around the course, but please remember that the onus is on you to follow the correct route.

**Finding the HQ : Please don't arrive at the HQ before 1230. Another hirer has it until then.**

Longwick is on the A4129 between Thame and Princes Risborough. If you're approaching from Princes Risborough, go through Longwick, past the pedestrian lights, and then turn left into Walnut Tree Lane. Then take the second left into Dorrells Road, go straight ahead, and the school entrance is in front of you. If you're approaching from Thame, take the right turn into Walnut Tree Lane, approx 100 yards *before* the pedestrian lights.

The postcode of the school is HP27 9SJ. Please park considerably, as with **240** riders we will be pushed for space. Car-sharing or riding to the race would be a great idea !

If you arrive to find that the school area is full, please sign on and then use one of the following alternative parking areas : There is a large layby at the western end of Longwick on the north side of the A4129, and another approx 1 mile further west, on the south side of the road. Please avoid clogging up the roads near to the school, as this creates bad feeling ... with my neighbours !

**Finding the start** : From the HQ, retrace along Dorrells Road and Walnut Tree Lane, to turn left onto the A4129 towards Thame. After almost 2 miles, take a right fork, signposted Haddenham (and others). The start is 0.89 km away from there.

**Getting back to the HQ** : Keep riding until you're back in Longwick. Turn right into Walnut Tree Lane.

**Photographs !** We are delighted to have secured the services of Sarah Brooke, who will be on the course, recording the event for posterity. Check out <http://www.sarahbrookephotography.co.uk/>
