## PLEASE READ THESE NOTES !

<p><b>More Teams than Spaces</b> Once again, I've received more entries than I'm able to accept. As a consequence, we have some Reserve Teams waiting for the chance to ride. If, at any time, you discover that your team will not be able to start, please contact me urgently, as these Reserve Teams are straining at their leashes, very keen to get a chance to ride.</p>	<p><b>A complete change of location</b> For a number of reasons, we've moved to a different course this year. We're now at Chalgrove, Oxfordshire, a few miles south of M40 (J6 or J8). The course is still two laps of a circuit, which is less 'technical', but a bit hillier than before. A key point now is that you've got to be able to <b>count to two</b>. When you get to the end of your second lap, <u>you need to turn left and sprint the last 800m to the finish</u>. There will be signs out, but only you will know how many laps you've done.</p>
<p><b>Signing On</b> Make sure you've signed on and collected your number at least 30 minutes before your start time – otherwise a Reserve Team might be given your place.</p>	<p><b>Parking</b> If the weather behaves itself in the days leading to the 13<sup>th</sup>, then we'll be parking on the grass at the HQ. Please drive and park considerately, and make sure you don't leave litter. If the grass is too wet to be used, there is a small car park near the HQ, and we'll have to use the minor road south-east of the start point. I may be able to arrange something better, but in general I would ask you to car-share where possible.</p>

**For full Course Details, Details of the HQ, and Details of getting to the Start**  
– please see later pages.

There will be a **Prize presentation** in the Village Hall, soon after the last team finishes.  
Please try to be there, and applaud the worthy prize-winners !

Provisional Results will be available (as quickly as we can manage) from  
<http://www.dadswell.co.uk>

### **General Notes**

- Numbers will be issued at the Event Headquarters (Youth Wing, Chalgrove Village Hall), and should be attached to your lower back or on your shorts. Please return your number afterwards, and exchange it for a FREE cup of tea.
- No vehicles other than that of the timekeeper are to be parked in the vicinity of the start or finish points.
- After finishing, riders must not stop, but should turn around and return to the Headquarters, or the alternative parking areas.

### **Special Notes about Team Time Trials**

- Apologies for those of you who are old hands at this sort of thing, but .....
- When you're out on the road, you should ride in single file, except when you're changing your formation. In particular, when you have finished, please remain disciplined, as other teams will still be racing, and won't want you getting in their way.
- If you wish to feature in the official result for this race then you must start with three riders (whose names appear on this sheet for your team), **all three of you must complete the course**, and you must all pass the finish line clearly displaying your race numbers.
- Incomplete teams may start, and can receive a time, but this is "for general interest only".
- Teams who have nominated reserve riders may choose any three from the four riders listed. Teams using their reserve rider are still eligible for prizes. NB Reserves must wear the number of the rider who they are replacing.
- Official times are taken on the third rider to pass the finish, so try to stay together!

In the interests of your own safety, Cycling Time Trials and the event promoters strongly advise you to wear a HARD SHELL HELMET that meets an internationally accepted safety standard.

It is recommended that a working rear light, either flashing or constant, is fitted to the machine in a position visible to following road users and is active while the machine is in use.

### The Course in simple terms :

This 50km TTT involves just over 2 laps of a circuit. The first 400 metres is a 'feeder' onto the circuit. After completing two full laps, you turn left back towards the start, and the final 900m is almost straight, taking you towards the end of a cul-de-sac. There will be marshals and signs around the course, but please remember that the onus is on you to follow the correct route. In particular, when you've done the two laps, you must be sure to turn left. There will be signs, but no marshals, at the crossroads. There is a bit of a hill after 3km (and 28km), but it's not too bad – you'll get over it.

### Finding the HQ :

Chalgrove is near to the B480 about 10 miles SE of Oxford. We're in the "Youth Wing" of the Village Hall. The car park we need to use is accessed by a small road on the east side of The Crown pub (which is opposite The Red Lion) on the High Street. You can aim your Sat Nav at OX44 7TE, but once you're on the High Street, look out for The Crown and The Red Lion. The access road is quite small, down the left side of The Crown, next to an area of mown grass.

### Parking

As noted on the front page, if the weather is okay, we will be allowed to park cars on the grass near the hall. Please park considerately, and avoid the football pitch. Vehicle access to the grass area is from the car park. The car park will be locked at 7pm, but we will have a key, and will open the gate for people to leave. It may seem a strange arrangement, but the nearby residents insist that nobody is allowed in to the car park after 7pm.

If we aren't able to use the grass (and this will be quite a problem!), then we can use the minor road just SE of the start, and we may have access to the Business Park also near the start. You could possibly park in the High Street, but please try to be considerate. As I'm typing this, the Plan B for car parking is still something I have to sort out...

**Finding the Start :** Leaving the car park at The Crown, turn right onto the High Street & follow the road round (it becomes Monument Road) to the junction with B480. Make a staggered crossing of the B480, right then left, still in Monument Road. You might like to remember this particular left turn into Monument Road, as you'll be doing it when you're in the last kilometre of the race. After about 400m in Monument Road, you'll reach the monument and the start point.

**Getting back from the Finish :** Once finished, turn around & retrace. Take care past the start point, up to the B480. As before, make a staggered crossing of the B480, and follow the road along & around to The Crown, where turn left to the car park.

Reserve Teams – how it will work.

1. When a team notifies me that they won't be starting, their space will be offered to the next available Reserve Team on the list above.
2. The only exception to this order will be if the club/university of a non-starting team has a team on the Reserve List. In that case the Reserve Team from that club/university will be offered the place. (for example, if a Durham team can't start, the Durham team above will be offered the place)
3. Any reserve team not getting a ride will receive a full refund of their entry fee.

I don't really recommend travelling a long distance in the hope of a ride, but obviously I'm optimistic that I'll be able to allocate spaces on the day before, or earlier. Clearly it's all down to when I find out from the non-starting teams.

Any teams who do choose to come to the race and wait for a space should notify the signing-on team that they're waiting. If no members of a team have collected their number with 30 minutes to their start time, then a reserve team can take their place.
